An adventure guide is a person who gives people a tour of a cool place! While giving a tour, adventure guides talk about the history of the place or the people and animals who live there. For example, an adventure guide might take people on a zip line through the Amazon rainforest and tell the visitors about the jaguars and monkeys who live nearby. Some adventure guides write blogs for a national park's website so people can learn more about the park.

Today, you are going to be an adventure guide who just finished camping trip in Glacier National Park. Glacier National park is located on the Canada-Montana border. The park is filled with wild animals, beautiful lakes, and places to hike and camp. Your job is to write a blog entry about your camping trip. Follow the steps below to write your blog entry.
